Classes are between 1 1/2 to 2 hours long.

Android Tablets
Thursday, June 5, 10:00 am or
Monday, June 23, 6:00 pm

If you own a tablet but it is not an iPad, Kindle or Nook, you have
an Android device. Android can do a lot for you-but you have to know where to begin.
The Android operating system gives you ample room for customization and control. This class
will help you to make the most of your Android tablet's many features.

File and Folder Management
Wednesday, June 11, 1:00 pm or
Friday, June 13, 10:00 am

Learn how to create, edit, open, save, and close files on your computer as well as your flash
drive. Also learn how to create, edit, and delete folders to organize your files.
Keyboarding and mouse skills are necessary for this class.

iPad Users Group
Wednesday, June 11, 9 am—12 pm

Please join us for an informal get-together as we discuss how we all use iPads in
our daily lives. Bring your questions as well as your favorite apps!

iPads, iPhones & iPods: How to Use the Safari App
Tuesday, June 3, 10:00 am

We will talk specifically about the Safari App. You will learn the difference between bookmarks,
favorites and how to set a shortcut from the Internet to your home screen, among other tidbits.
