HOGWARTS ACADEMY

DISCOVER HOW MUGGLES DO MAGIC!

What: Hogwarts Academy is for students, grades 1-5 and is meant to teach the science behind the magic of Harry Potter. It will feature several activities and demonstrations that will reveal the ways in which chemistry and physics principles work very much like magic.

Who: Dr. Bill Harwood of the Department of Chemistry and Biochemistry at the University of Northern Iowa, with the assistance of volunteers, will be organizing and running the activities at Hogwarts Academy.

When and Where: Saturday, November 12th, from 9 to noon at the University of Northern Iowa's McCollum Science Hall, room 270. Parents/Guardians are welcome to stay for the event. Parking can be found on Campus Street in the lot outside Gilchrist Hall. Otherwise students may be dropped off and picked up at the Missouri Street circle drive between Latham Hall and Gilchrist Hall, just off of the University Avenue Frontage Road.

Cost: Hogwarts Academy is free! We are, however, collecting for the Iowa Food Bank, so we ask that each student bring 5 non-perishable food/toiletry items (toilet tissue, toothpaste, etc.) on the day of the event. These food items will be collected at check-in and donated to the Iowa Food Bank. Here is the Food Bank's wish list: Canned Tuna, Canned Fruit, Boxed Meals (such as Tuna Helper), Soups, and Crackers.

Registration: All registration forms MUST be turned in by Monday, November 7, 2011. In order to register for Hogwarts Academy, the registration form and the authorization and release form must be completed. Once completed, these forms can be dropped off at or mailed to Rod Library at this address:

Rod Library University of Northern Iowa Attn: Yolanda Hood 1227 West 27th Street Cedar Falls, IA 50613-3675

*Important:

- Hogwarts Academy can accommodate a maximum of 30 students, so we recommend you turn in your registration as soon as possible.
- Although we have not planned any particularly messy events, students will be participating in hands-on activities. Please dress accordingly.
