Learn about the first coins ever made, the first coins in the U.S., and the first coins we collect.

Happy Faces Entertainment

Thursday, July 12 at 10:30 am, Meeting Room

Dennis from Happy Faces returns for another fun and silly variety show for all ages that is sure to make you smile!

Insect Zoo

Monday, July 16

Iowa State University's Insect Zoo returns this summer with our most-requested repeat event. The drop-in zoo exhibit will be available in the meeting room from 10 am–noon; then there will be two hands-on workshops in the afternoon at 1:30 and 3 pm. Afternoon workshops are limited to 30 participants and require pre-registration (even the grownups need to register). To register, call the youth desk or register online through the library's web page.

Juggling Jeff

Thursday, July 19 at 10:30 am, Meeting Room

Jeff returns this summer with his Juggling to Read show. Reading is everything! It allows us to communicate, learn new things, pass on history, be entertained, explore the world and drive. Everything you see in this show can be learned in a book! What will you do with the special power of reading?

Homeschool Get-Together

Thursday, August 30 at 10:30 am, Meeting Room

If you are a homeschool teacher, join us for our second Homeschool Get-Together, during which you'll learn about the services, collections, and programs available for homeschooling families. We have new information to share this time, so even if you attended the first one last year, you'll want to come back for this session.
